

The Only Factory Authorized Service and Repair Source for Indramat.

- Womack offers Indramat repairs with “new” parts and a one year warranty on the repair (Other companies repair Indramat products by using surplus parts).
- Ask about having the Indramat product “remanufactured” to new condition with a full 24 month warranty.
- Need to extend the life of your existing equipment? Ask about our “Remanufacturing +” program! This insures the life of your Indramat equipment for 5 years!
- Need to bring your Indramat system up to the latest technology? We offer retrofit systems that can directly replace the existing Indramat hardware without all of the problems associated with a “third party” integrator.

For complete product and pricing information contact your friendly Womack Field Representative or your reliable Womack Customer Service Representative today.
